6	Exposure accessing kitchen	All staff on site	4	4	16	1 person in the kitchen at a time encouraged Cleaning supplies to enable cleaning before and after use, especially handles and the kettle handle Signage in place	4	3	12
7	Vulnerable personnel	All staff on site	5	4	20	No known vulnerable employees. Staff that self identify as vulnerable should contact their manager or HR. Government shielding guidance is being followed.	5	3	15
8	Infected employee comes to site	All staff on site	4	4	16	Reduced density of personnel on site. Personnel feeling ill required to stay at home. Follow government guidelines for testing and isolation. Staff provided with strip thermometers to check personal temperature. Work instruction in place for actions in case of an individual shows symptoms on site Staff encouraged to order LFT kits and test twice weekly for asymptomatic cases. Desks quarantined if occupier tests positive for COVID.	4	3	12
9	Infected visitor comes to site	All staff on site	4	3	12	Request confirmation that the visitor is not exhibiting symptoms through contactless sign in at PFB. Contactless visitor sign-in now in place. Movement between sites kept to a minimum. HPIC guests sign in at landlord reception.	4	2	8
10	Interruption of existing emergency, first aid and supervisory procedures following implementation of COVID-19 controls. PFB evacuation was scheduled in March, but was unable to go ahead due to lockdown. This continues to be the case where required staff are following Government guidance to work remotely.	All staff on site	4	3	12	Sites are geographically close so FA's can respond to incidents at either site. Fire alarm system is fully functional and frequently tested (PFB) CIC fire system tested weekly by Heyford Park Reminder of fire safety procedures sent to staff (24/08/21) in the absence of an evacuation. Evacuation drill at PFB will be planned when more personnel are allowed into the barns. The current risk is low due to low occupancy levels. - to be scheduled in Jan '22	4	2	8
